Subject: Jessie Williford being ousted from ASSLC

HI I'm Ellen Williford Schoen , I am Jessie Williford's sister and guardian.
I am writing to you to see if you could read this to the Senate Committee meeting.
I am very concerned about Jessie being moved from ASSLC. He has been there for 50 years. We lived in the country a mile past Elroy . The reason he was put in cause he could not wander around since we live right next to FM 812. At the ASSLC he could go all over campus and visit everyone and a workshop has been his home for so long. I right now could not take care of him because I have his and my Mom home with Hospice? After she passes I will have to go back to work. so please reconsider your decision to Close ASSLC. so many residents have been there so long, it a disgrace to remove them to a strange place to live out the rest of their life! So please reconsider your decision!

Sincerely
Ellen Williford Schoen
