My name is ALAN.

I am 42 years old and I am profoundly
RETARDED.

I live at DENTON STATE School for the
RETARDED.

My family takes me OUT to eat every week.
I don't know a lot with my 6 month mind,
but I know my family. They love me and I
love them.

*I need lots of folks to care for me so, here
are a FEW who do. They feed me, a nurse
gives me meds, derict care washse me,
changes my diapers, re=positions me, keeps
me from harm.

**WILL YOU HELP THEM CONTINUE, BY
PROTECTING THE STATE SCHOOLS
AND FUNDING MY HOME?**

*ASK MOM – she knows everythin – about
me.
