Your Comments About the Staff Report, Including Recommendations Supported or Opposed: As a parent of a child on the interest list for several waiver programs I recommend the closure of state centers. The funds would be better put to use by distributing them to service those on the interests list. The last time I checked my son was looking at a 12-15 year wait before he is even considered. This is outrageous.

Any Alternative or New Recommendations on This Agency: Please recognize that the state run homes are not cost effective in providing a safe quality place for our disabled and aging. The funds should be redistributed to those on the waiver program interest lists.

My Comment Will Be Made Public: I agree
