Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am W Alvin Westbrook Sr and I am the guardian of my sister Dorothy Sue Westbrook. I was appointed her guardian by judge Guy Herman on November of 1996. She has lived at the Austin State school since 1957. I don't know where the negative reports have come from but she has been treated and taken care of very well. She is not able to take care of herself and must have someone looking after her at all times. She would not survive if she was moved to a community house away from the facility. This has been her home for 57 years.

I pray you will take inconsideration her and all the other residents that will be affected if this facility is closed. We are putting our loved ones in your hands and pray you will make the Correct Decision in this matter.
