Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to no licensure for Respiratory therapists. I would suggest that Respiratory Therapists continue to have to be licensed. Personally an professionally I believe they should be required to go to school and receive a license. I know when it comes to my ability to breathe, I want someone who is educated to help decided my health care.

Any Alternative or New Recommendations on This Agency: I would suggest that Respiratory Therapists continue to have to be licensed.
