Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed:

Eliminating the credentialing of Code Enforcement Officers will negatively impact the profession.

I DO NOT support the recommendation to discontinue state regulation for Code Enforcement Officers.

Any Alternative or New Recommendations on This Agency: Recommend conducting an operational analysis to identify opportunities for streamlining processes; combining like activities; procedural improvements that would allow for this licensing requirement to remain in place with the current agency. I am a Green Belt in Six Sigma and have extensive experience in the area of process improvement and would be happy to volunteer my time to help this agency continue to deliver a much needed service to our code profession.

My Comment Will Be Made Public: I agree
