Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I want to object to the abolishment of the licensure of dyslexia therapists and practitioners. Being a licensed therapist helps parents and schools to know the high level of training I have in the field of dyslexia. We want to continue taking steps forward in the area of dyslexia, not steps backward.

CALT

Any Alternative or New Recommendations on This Agency: Please continue to grant licensure to dyslexia therapists and practitioners.
