Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I DO NOT support eliminating the credentialing of Code Enforcement officers. Code Enforcement is a detailed task that requires very specific knowledge. As the supervisor for the code enforcement department in our city, the certification assures me that my employees are informed and following the correct and legal procedures for this important function of government.

Any Alternative or New Recommendations on This Agency: I recommend that this program continue as is.

My Comment Will Be Made Public: I agree
