Your Comments About the Staff Report, Including Recommendations Supported or Opposed: This is an amazing program. I was the principal for 10E dorm at Dawson State Jail in 2011. I tutored many girls and had the privilege to witness 3 of the girls I tutored pass their GED's. For some of the ladies entering the jail had no educational skills at all. The program gave them the educational skills they needed along with the self esteem to back the knowledge. For me having a diploma and paralegal certificate it was a blessing for me to be apart of something so simple yet special helping others pursue education.

Any Alternative or New Recommendations on This Agency: Help keep grants and funding available.
