Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I DO NOT support the recommendation to discontinue state regulation for Code Enforcement Officers. I personally feel that education and regulations are necessary for any and all issues, ESPECIALLY health related issues. Code Enforcement Officers play an important role for safety, health and welfare matters of the people. This is very necessary!!

Any Alternative or New Recommendations on This Agency: I think that this agency needs to spend more time with Code Enforcement Officers and see what they really do to help the people of the state and local communities.

My Comment Will Be Made Public: I agree
