Your Comments About the Staff Report, Including Recommendations Supported or

Opposed: Hello I would just like to leave my thoughts on the Texas midwives.

I don't have experience on having a natural birth but I was planning on having one with my next child because I have had 2 bad experience with hospital births. Im hoping you will continue to let women have a choice on natural birth because I would like that option with my next child.

Any Alternative or New Recommendations on This Agency: N/A
