Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I do NOT support withdrawal / elimination of the Code Enforcement Officer Program.

I strongly provide opposition to the proposed riddance of the Department of State Health Services (DSHS) - Code Enforcement Officer Licensing & Registration Program. Texas residents and the public expect and deserve qualified, educated, and licensed Code Enforcement Officers, which, in turn, continues to increase overall State of Texas credibility. Code Enforcement Officers are experts within arena of codes. This knowledge is imperative to aide with the health, life, safety, and welfare of Texas' land, citizens and businesses.
