Subject: Form submission from: Public Input Form for Agencies Under Review (Public/After Publication)

Submitted on Monday, June 9, 2014 - 09:57

Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Daniel

Last Name: Bridge

Title: President

Organization you are affiliated with: D. Bridge Environmental, LLC

City: Pearland

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I recommend that mold licensing in Texas not be discontinued. If the licensing requirements for mold assessment and remediation were eliminated, this would "open the door" for many unscrupulous enterprises to enter into this business, resulting in undue problems and financial loss for many homeowners and businesses. Regulation of mold assessment and remediation ensures that activities related to mold assessment and remediation undergo a necessary level of quality control.

Any Alternative or New Recommendations on This Agency: I recommend that mold licensing in Texas not be discontinued. If the licensing requirements for mold assessment and remediation were eliminated, this would "open the door" for many unscrupulous enterprises to enter into this business, resulting in undue problems and financial loss for many homeowners and businesses. Regulation of mold assessment and remediation ensures that activities related to mold assessment and remediation undergo a necessary level of quality control.

My Comment Will Be Made Public: I agree
