Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am absolutely opposed to the termination of the Offender Programs, because I have seen first hand as an instructor that I am effective in the classroom with the majority of students. An evaluation is provided to every student and the feedback is positive and shows that there is a desire to use what is learned and that they have been provided a plan to help the follow through and make positive lifestyle changes.
Thank you for your considerations.

Any Alternative or New Recommendations on This Agency: Keep the DSHS Offender Education Programs.
