Your Comments About the Staff Report, Including Recommendations Supported or Opposed: If the Mold licensing is done away with then there is no doubt in my mind that we will again see the total chaos that went on that led to the formation of that agency. With no regulations on mold testing and remediation, then anyone can claim to be an expert and the consumer will be ripped off.

Any Alternative or New Recommendations on This Agency: I believe longer terms for our licenses would be very helpful and reduce the cost to the state.

My Comment Will Be Made Public: I agree
