Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Opposing recommendation 3.2 moving the LPC Board to an advisory committee. Keep licensed professionals as such please. Let them be an independent board if needed. They bring in approximately \$1.5 million annually to the State and work tirelessly to keep our profession protected and serve the people of Texas. Don't punish the LPC Board and people of Texas for the action or inaction of the Department of State Health Services. Please don't make them an advisory committee. Thank you.

Any Alternative or New Recommendations on This Agency: Make the LPC Board an Independent board.
