Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I hope you will not choose to merge this important licensing board as an advisory committee. You will be putting the public at risk by following this path of action. Licensed counselors should continue to be monitored by the Licensing Board. Please do not follow the proposed course of action.

Any Alternative or New Recommendations on This Agency: Do not choose to sunset the licensing board which monitors the performance of licensed professional counselors and licensed family counselors. You will put the public at risk by following this course of action.

My Comment Will Be Made Public: I agree
