Your Comments About the Staff Report, Including Recommendations Supported or Opposed: As a parent and registered voter, I highly oppose taking away state licensing for dyslexic therapists. Dyslexia children deserve to have highly trained and qualified people to provide them the appropriate services needed to have a successful education. To provide them with less is discriminatory in nature and not providing for the specialized needs of these children.

Any Alternative or New Recommendations on This Agency: Do not abolish licensing for state dyslexic therapists. Leave the law as it is.

My Comment Will Be Made Public: I agree
