Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to the proposed cessation of two year Respiratory Therapist license renewal/update. With rapid improvements in pulmonary medicine/therapy, it is imperative that these life-saving individuals be kept current on state of the art equipment and procedures. As an Alpha 1 patient, I am personally familiar with the value of an "up to date" therapist. Thanks for your consideration.

Any Alternative or New Recommendations on This Agency: "Streamline" the existing organization utilizing input of currently practicing pulmonary therapists.

My Comment Will Be Made Public: I agree
