Your Comments About the Staff Report, Including Recommendations Supported or Opposed: We strongly oppose the Sunset recommendation on the Mold Assessors and Remediators. With the onset of new findings of public health issues in mold infected homes, apartments, schools, hospitals etc. the canceling of these regulations would harm the public health of all.

Any Alternative or New Recommendations on This Agency:

Keep the State Regulations that are set in place, just adjust the MRC requirements for supervisors to fit the need. Following the State Asbestos rules for contractors would be a great help to all.

My Comment Will Be Made Public: I agree
