Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

The Youth Camp Advisory Committee should not be abolished in statute because it provides camps with an opportunity to formally work with DSHS. No one knows camps better than the camps themselves.

In addition, the Youth Camp Advisory Committee has taken on the responsibility for the youth protection rules and the committee has been instrumental in discovering issues that need attention to protect youth at all camps across the state.

Any Alternative or New Recommendations on This Agency: The Youth Camp Advisory Committee should remain active.
