Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I had so much anxiety about giving birth but after switching to a midwife my fears were immediately calmed and I felt extremely safe under her care. I had nothing but a wonderful experience from the time I toured the facilities until the day I was able to take my beautiful baby boy home. My midwife went above and beyond to provide me with professional and excellent care.

Any Alternative or New Recommendations on This Agency: Support Texas Midwives! Woman deserve to have options for medical care that personally meets their needs.
