Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Stephen

Last Name: Davis

Title: Mr

Organization you are affiliated with: Xray Express of Tyler

City: Whitehouse

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support ending the State Licensure program. As a registered Radiologic technologist I am required to be a member of AART which requires the exact same 24 hours of continuing education credits biannually as the Texas program. This is unnecessary duplication of licensure. So, as per your stated purpose "we are tasked with identifying and eliminating waste, duplication" the State program is in my opinion unnecessary

Any Alternative or New Recommendations on This Agency:
Requirement of AART certification for employment in Texas would be adequate because complaints to AART can result in revoking of the technologist's certification

My Comment Will Be Made Public: I agree
