Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Hello, after all thank you for taking your time of reading this. I'm here to please ask you to keep our midwifery care like it is right now, Texas Midwifery Board should not be move to the Department of Licensing and Regulations. I have had a great experience with midwifery care, it was the best thing ever, They give you excellent fisical and emotional support, is like your own mother is taking care of you, they make you feel very important and show you that no only the money and the time is what matters, They give you your time and do not schedule babies birth as their convenience or agenda. Please, please do not take away this beautiful oportunity we have here in Texas, a lot of the moms groups I am on, talked about how lucky we are about having the oportunity of hire a midwife. I hope you can understand how important it is for a woman to feel, safe, comfortable, and on peace at the time of giving life. Thank you for your time.
