Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: melissa

Last Name: Dixon

Title: AEPM. instructor / supervisor

Organization you are affiliated with: state health department

City: el paso

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: cancellLing programs through the state department is a very bad decision. I teach.alcohol education classes for minors. These are young people whom have been mandated by the courts to attend these classes. This is a growing epidemic in our city as it is in many states, however if we can make a difference in educating them about the effects or fatal results in drinking this can prevent less fatalities and DWIs. With Our youth. To many people/youth are looking their lives to alcohol. Educating them as an intervention can reduce thesee issues

Any Alternative or New Recommendations on This Agency: More actual videos for the youths so they can see the reality of drinking at a young age or drinking and driving

My Comment Will Be Made Public: I agree
