Dear Sunset Advisory Committee,

I cannot tell you how disappointed I am to hear that your Committee is considering eliminating the licensure for Dyslexia Therapist. As members representing the citizens of Texas, removing the licensing process would be a complete disservice to all Texans including parents of dyslexic students.

Having a license allows parents to make an informed decision when selecting an Academic Language Therapist for their child. I will attend the hearing on June 25, 2014, in support of the licensure process. I hope you will vote to keep this important process.

Thank you, Helen Donelson

Any Alternative or New Recommendations on This Agency: The recommendation is to **KEEP** this licensure process!
