Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Matthew

Last Name: Duckworth

Title: Realtor

Organization you are affiliated with: Real Estate

City: Nacogdoches

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I saw in the news that because of this commissions horrible recommendations the State Legislature is considering to drastically effect the health and safety of patients in a medical facility as well as effect thousands of jobs in the respiratory therapy field. This blew my mind when I heard my great state of Texas would even consider to take this horrible step to undermine the health and safety of our medical care facilities and put thousands of educated healthcare workers on unemployment. Please tell me you will be fighting this bill and ensure me it will never see the light of day.

Any Alternative or New Recommendations on This Agency: Medical care facilities depend on the state to license their employees to ensure that the patients in their facilities are not being treated by someone that would be detrimental to the health and safety of them. This is the worst idea I've heard in a long time that comes from educated people. Doing this will undermine the care that you will one day need.

My Comment Will Be Made Public: I agree
