Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I feel our educational training over the two year program gives me the specail training needed to take care of patients. The training in cardio and pulmonary gives respiratory therapist more skills and education about treatments for the patients.

Any Alternative or New Recommendations on This Agency: I feel that if students were hired for hhn treatments and O2 checks that would relieve the therapist to focus on patient care more.

My Comment Will Be Made Public: I agree
