**Sent:** Wednesday, June 18, 2014 2:03 PM  
**To:** Sunset Advisory Commission  
**Subject:** MRT ACT

I implore the Sunset Advisory Committee to NOT do away with the MRT Act.  
Educated professionals, not just button pushers, need to be taking care of patients.  
In today's healthcare where safety is of utmost importance, the MRT helps provide that safety through having educated technologists.  
Sincerely,  
Traci Foster
