Subject: Transfer of The Texas State Board of Examiners of Professional Counselors

To Whom It May Concern:

My name is Martha O, Franco. I am a LPC and LCDC who is licensed in Texas. I have been informed by TCA (MEMBER) about doing away with the current board that governs my profession. I am not sure of the reason(s) for this proposal. I am very satisfied with my current board, I am in private practice and I call the board when I have questions. I also like for my clients to know that they can contact my board in regards to questions or complaints about my professional services. Please get feedback from the professionals who would be affected.

Please feel free to contact me.

Sincerely,

Martha O. Franco
