Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I had such an excellent experience with my midwife and birth center. Not only did I feel cared for and well looked after for my labor and delivery, but I felt well educated and prepared for the birth of my first child. The midwives were very well equipped and professional. I feel extremely safe in their care and guidance. Midwifery care in Texas is the best that I've seen and experienced.

Any Alternative or New Recommendations on This Agency: Please do not change the ability for the midwives to care for their clients as they see fit for care and safety.

My Comment Will Be Made Public: I agree
