Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Rolando

Last Name: Gonzalez

Title: Code Enforcement Officer

Organization you are affiliated with: city of weslaco

City: weslaco

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to the recommendation to eliminate the Code Enforcement registry, this registry is vital to our great state it ensures that qualified people are enforcing our laws with the knowledge and abilities that are required to deal with the public. As in all professions a level of achievement comes with respectability and confidence in the person that enforces state and local laws. The public deserves to have knowledgeable qualified people that go into our homes this registry ensures that felons do not have an opportunity to come in contact with what is dear to our hearts our homes. Proceeding with the recommendation would do disservice to our great state. All local governments have invested in educating and licensing our officers and continued by annually reinvesting in continuing education over the years to simply do away with it.

Any Alternative or New Recommendations on This Agency: simply continue this program and enhance the registry to levels of achievement for example basic intermediate and advanced.

My Comment Will Be Made Public: I agree
