Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the following recommendation to switch licensing entities.

Any Alternative or New Recommendations on This Agency: As athletic trainers are certified health professionals the licensing faction should be kept in its current organization. It is a medical field, in which a separate entity is needed for licensure due to the nature of the profession. The medical practices and educational requirements of a certified athletic trainer do not correlate with other the professions listed.

My Comment Will Be Made Public: I agree
