Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I strongly oppose restructuring three mental health professional licensure boards - the LPC, LMFT and SW - into an Advisory Commission. We should be represented by a Board that is knowledgeable about the field of mental health and not just a governor's appointee who can make recommendations or restrict practice without substantive experience or information. Why aren't the psychologists included in this change?

Any Alternative or New Recommendations on This Agency: Keep the LPC, LMFT, and SW Boards under the auspices of a mental health/health services department - the DSHS.

My Comment Will Be Made Public: I agree
