Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Through the Commission's own admission, the modifications have not been fully reviewed. I strongly believe the deregulation of Code Enforcement needs to be looked at again. It is not in the anyone's best interest to have inspectors who aren't required to be knowledgeable of Texas statutes and the general rights of property owners. The license doesn't just disallow the use of the title. It sets standards of education and requires individuals to remain informed of developing legal issues in order to maintain the license.

Any Alternative or New Recommendations on This Agency: Transfer licensing and regulation of Code Enforcement Officers to TDLR.

My Comment Will Be Made Public: I agree
