Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Ginger

Last Name: Hagood

Title: LPC-Intern, School Counselor

Organization you are affiliated with: Plano ISD; Play Therapy Dallas

City: Dallas

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am shocked, absolutly shocked at the absurdness that the Sunset Review is proposing. Yes, the DSHS has alot of work do do, but placing mental health professionals with breeders and barbers?? Seriously? We are falling apart and people are losing it and we need mental health professionals to be held to the highest degree, not to lower standards. We need to make the general public aware and have a more positive opinion about counseling. Come on Sunset Review. I beleive that you would be a perfect canidate for some mental health counseling yourself.

Any Alternative or New Recommendations on This Agency: My recomendation is for Mental Health Professionals like LMFT, LSW, ans LPC's to create their own regulated board like Psychologists.

My Comment Will Be Made Public: I agree
