Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Jake

Last Name: Hammer

Title: Parent of Dyslexia child

Organization you are affiliated with: IDA

City: Tuscola

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: We need to continue to require dyslexia therapists to have a liscense. In small towns every school district will say they are giving the child proper instruction but without the teacher having any knowledge of how to properly teach a dyslexic child.

Any Alternative or New Recommendations on This Agency: Make sure every school district has help for the children. For instance we were told that my son was the first ever child in school district to have dyslexia and that they believed it was just he was not trying hard enough. This is why it is a necessity for over sight if these small town schools.

My Comment Will Be Made Public: I agree
