Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The Youth Camp Advisory Committee has served a vital purpose in representing the youth camps of Texas. They have given valuable feedback as to the need for various regulations and similarly for the lack of need of others. They also report to the state the first hand affects of various regulations and proposed regulations, as well as practical ways to meet these needs. Without their input the state agency has far less factual information on which to base their recommendations.

Any Alternative or New Recommendations on This Agency: Please KEEP the Youth Advisory Committee in force.
