Your Comments About the Staff Report, Including Recommendations Supported or Opposed: In my opinion the recommendation to discontinue the offender education classes is a mistake. Our programs are effective I have seen an increase in student interest and I have a significant knowledge gain in every class. We are reaching thousands of individuals adult and juvenile with the education these classes provide .

Any Alternative or New Recommendations on This Agency: Increase the staff at the state level that regulates these classes. Increasing the workload and decreasing the staff is what is ineffective

My Comment Will Be Made Public: I agree
