Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

It is important that the Youth Camp Advisory Committee not be sunsetted.

Camping is important in the state of Texas and it is vital that there be communication between the camping industry and the state regulatory agencies.

I strongly oppose the sunseting of this committee

Any Alternative or New Recommendations on This Agency: Do not sunset the Youth Camp Adviosory Committee. If it must be ended then it should be replaced with another group who had direct input into Youth Camp regulations for the state of Texas

My Comment Will Be Made Public: I agree
