Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the Sunset Advisory Committee recommendation to discontinue state regulation for Code Enforcement Officers. This decision would be a detriment to our profession. The regulation and abatement of nuisances, laws and codes are critical to the safety of the public. Without the profession of a state regulated Code Enforcement Officer and the training we are required to receive the State of Texas would be a disaster; diseases would run rampant and most of all we would no longer be able to enforce with pride the TX slogan "Don't Mess With Texas"!

Any Alternative or New Recommendations on This Agency: Give the Code Enforcement Officer program back to TDLR.

My Comment Will Be Made Public: I agree
