Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I concur with all the comments of the NASW Board. There must be mental health professionals to insure that all of the nuances and needs of the clients that the social work profession serves. I am afraid if the Sunset Commission shifts us to Licensing and regulation, it will become ALL ABOUT NUMBERS with little attention to the standards of professional care.

Any Alternative or New Recommendations on This Agency:

I am 87 years old. Except for volunteer clinical supervision at the non-profit agencies mentioned above by virtue of an adjunct appointment to Baylor-Menninger Department of Psychiatry (Baylor College of Medicine, Houston), I am pretty out of the active work loop.

Will there be public hearings before the Sunset Commission makes its decision? If not, I believe there should be.

My Comment Will Be Made Public: I agree
