Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I do not beleive it is right to discontinue the Offender education classes . These classes are providing thousands of people with alcohol , tobacco and substance abuse problems information that they need to have. The only these people will receive this information is by court ordering them to attend. These classes may be the best chance we have to spread that information .

Any Alternative or New Recommendations on This Agency: Do not discontinue the offende egg action classes
