Your Comments About the Staff Report, Including Recommendations Supported or  
Opposed:

Oppose moving licensing of Marriage and Family Therapists (LMFT)

LMFT license requires a masters degree, LMFT's provide mental health care and so should remain with other  
Professional health care providers. (I am also an RN and nurse practitioner so have a medical health providers  
perspective).

Thanks,

Any Alternative or New Recommendations on This Agency: Keep Marriage and Family Therapists' licensing where  
it is.
