Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am not in favor nor do I support the deregulation of the Code Enforcement Agency. As a Codes Inspector in training, I am learning not just local government regulations but County and State as well. Codes is a very important division in the department due to we are out in the publics eye working very closely with the residents of Lubbock to help keep our city safe, enforce the codes that have been put in place to act as guidelines for the task at hand.

Any Alternative or New Recommendations on This Agency: Transfer
