Agency: DEPARTMENT STATE HEALTH SERVICES DSHS

First Name: Julie

Last Name: Lawrence

Title: parent of Dyslexic daughters

Organization you are affiliated with: CALT licensing

City: grapevine

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not eliminate or allow CALT licensing to expire. It was very difficult for parents of Dyslexic students to determine how to help their child. However, when we learned some Dyslexia specialist were licensed, we were able to find out what that meant. It meant, that a therapist who held a CALT license was a proven expert. She had an advanced degree and more than 200 hours of training in reading techniques that are scientifically researched and proven to be effective for teaching Dyslexic students to read.

Any Alternative or New Recommendations on This Agency: Please, do not abolish CALT licensing. It is a guarantee that the therapy Dyslexic students receive is effective.

My Comment Will Be Made Public: I agree
