Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I have been under the care of a midwife for one pregnancy, and it was an invaluable service for my low-risk pregnancy. I oppose moving the Texas Midwifery Board to the Texas Department of Licensing and Regulation (TDLR). The Texas Midwifery Board is a sufficient governing body - already requires standardized education licensed midwives and has required exams, continuing education. etc.

Any Alternative or New Recommendations on This Agency: None at this time

My Comment Will Be Made Public: I agree
