Your Comments About the Staff Report, Including Recommendations Supported or

Dear Board Members

I support the recommendations to do away with the licensing of code enforcement officers.

DSHS licensing staff is overwhelmed, thus the quantity of services have decreased, and quality has suffered from the back logs.

The decision is to add more staff, or remove work load. I would suggest
remove the work load.

David Mallette.

Any Alternative or New Recommendations on This Agency: Hire more staff and increase fee's
