Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Please continue your support for keeping the dyslexia licensure. You can negatively impact many families with children that have been diagnosed with dyslexia. The work the Licensed CALT 's do helps bridge the families with their school representatives.

Thank you for your continued support in keeping the dyslexia licensure.

Any Alternative or New Recommendations on This Agency: Please be open minded and continue your support to this effort. If you designated the licensure and went through the whole process, why are you backing away now ?

My Comment Will Be Made Public: I agree
