Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The Youth Camp Advisory Committee should not be abolished in statute as it is the working link between DSHS and the youth camps to vet health and safety issues for the Texas youth camp industry. If the committee is not statutory, elected offices may not exist and the leadership that informs youth camp of issues may be lost. The YCAC provides feedback on the inspection process and tools used, sometimes discovering issues that need attention.

Any Alternative or New Recommendations on This Agency: N/A
